6 **4336.4 UPDATE ON SOLAR PLANT**

7 The Vice Chancellor informed Senate that the Solar Plant was now operational and has been in use for  
8 some days and was still operational as at the time of the meeting. He sought the approval of  
9 members of the University Senate to invite Engineer O. O. Akinyele, a former Director, Works and  
10 Services to give update on the Solar plant.

11

12 **4336.4.1 UPDATE BY ENGR. O. O. AKINYELE**

13

14                  **a. Background Information on the Solar Plant**

15 The Energizing Education Programme (EEP) was an initiative of the Federal Government of Nigeria to  
16 provide 24 hours daily electricity to 37 Federal Universities and 7 Teaching Hospitals. FUNAAB was in  
17 phase 2 of the project which involves 7 Federal Universities and 2 Teaching hospitals in the country.  
18 The implementation agency is the Rural Electrification Agency (REA) which awarded the contract for  
19 the construction of a 3.4 MW Hybrid Solar Plant in November, 2022 for a period of 12 months.

20

21                  **b. Details of the Project**

22 The project was an Hybrid Solar Power Project which comprises of the following components;

23

- 24                  a. Construction of a 33/11kv upstream dedicated line from the new transmission station on  
25                  the Abeokuta-Sagamu expressway, plus upgrade of the existing 2.5MVA power  
26                  transformer to 5MVA as well as replacement of the obsolete Medium Voltage Panels to  
27                  modern type;  
28                  b. Maintenance and upgrade of the downstream11kv line on Campus;  
29                  c. Installation of 3.4MW Hybrid Solar Power System;  
30                  d. Installation of 202 Units new street lights;  
31                  e. Construction of fully equipped workshop and training centre for renewable energy.

32

33                  **c. Current state of the Project**

34 The following components have been installed on the Solar Plant;

35

- 36                  i. 6300nos of 545watts Photo Voltaic panels  
37                  ii. 15 Units Inverters  
38                  iii. 4 Units 1000kva generating sets synchronized 2nos apiece;  
39                  iv. 2MW Battery Energy storage system (BESS);  
40                  v. 10 Units Power Converter System (PCS)  
41                  vi. 4 Units containerized Smart Transformers;  
42                  vii. 202 Units street poles and fittings;  
43                  viii. Workshop and Training Centre, well-equipped and furnished.

44

45 He noted that the plant was undergoing test running and hiccups noticed were being overcome  
46 gradually, among which are:

47

- 48                  i. Low sun intensity especially in the mornings;  
49                  ii. Inadequate personnel experience;  
50                  iii. The Energy Management Systems (EMS) was yet to be perfected;  
51                  iv. The newly constructed 33/11kv line was still awaiting NEMSA certification.

52

53 Members of Senate appreciated the Chairman and the entire Management team for the success  
54 recorded so far and offered useful tips on maintenance and sustainability of the Solar Plant.

1 **4336.5 UPDATE ON WATER PROJECT**

2 The Chairman informed Senate that the FUNAAB Water project has been included in the 2025  
3 Nigerian Institution of Water Engineers (**NIWE**) budget courtesy of Dr. A. A. Sobowale of the College  
4 of Engineering (COLENG) in the University, who incidentally is the President of the Association. The  
5 Chairman expressed optimism that the various interventions would greatly assist the University to  
6 have a functional water system in no distant future.

7

8 **4336.6 TETFUND INTERVENTION AND IBR GRANTS**

9 The Chairman of Senate informed members that the TETfund intervention grant for Academic Staff  
10 training and development was now available for interested and qualified staff to access. The initiative  
11 was designed to support the academic advancement of staff members in Nigerian higher educational  
12 institutions, including those in academic, technical and technological fields. The grant was specifically  
13 aimed at enabling eligible staff to pursue Masters and Doctoral degree programmes in selected  
14 Nigerian Universities.

15

16 In the same vein, Academic Staff were enjoined to apply for year 2025 Institutional Based Research  
17 grant (IBR) as well as Conference attendance. Different sums of money have been released for those  
18 purposes.

19

20 **4337.0 ADOPTION OF THE AGENDA**

21 Following a motion by Prof. A. A. A. Agboola and seconded by Prof. J. O. Akinlami, the agenda for the  
22 Special Meeting of Senate was adopted for discussion as presented.

23

24 **4338.0 SUBSTANTIVE SENATE BUSINESS**

25

26 **4338.1 REPORT OF SECOCER ON THE EXAMINATION RESULTS FOR FINAL YEAR AND FINAL  
YEAR NON-GRADUATING STUDENTS FOR FIRST SEMESTER 2024/2025 ACADEMIC  
SESSION; PART-TIME RESULTS FOR FIRST SEMESTER, 2020/2021, SECOND  
SEMESTER 2022/2023 AND 2023/2024 ACADEMIC SESSIONS HELD ON THURSDAY,  
6TH, FRIDAY, 7TH AND MONDAY, 10TH MARCH, 2025.**

27 Sequel to the submission of Examination Results for Final Year and Final Year Non-Graduating  
28 Students for First Semester 2024/2025 Academic Session; Part-Time Results for First Semester,  
29 2020/2021, Second Semester 2022/2023 and 2023/2024 Academic Sessions, the Senate Coordinating  
30 Committee on Examination Results (SECOCER) held meetings on Thursday, 6th, Friday, 7th and  
31 Monday, 10th March, 2025 to consider the results and observed the followings;

- 32
- 33
- 34
- 35
- 36
- 37
- 38
- 39
- 40
- 41
- 42

- 45
- 46
- 47
- 48
- 49
- 50
- 51
- 52
- 53
- 54
1. SECOCER noted improvement in the quality of results presented by all the Departments;
  2. SECOCER noted that large numbers of students are on probation because of failure to register. This was more worrisome especially with the FNG students; and
  3. Final year students in some Colleges have one (1) carry over course with a score of 20 marks.

46 Therefore, Senate considered and approved the recommendations of the Senate Coordinating  
47 Committee on Examination Results (SECOCER) as follows:

- 48
- 49
- 50
- 51
- 52
- 53
- 54
- i. Upgrade of 20 marks to pass marks should come into effect at the end of Second Semester 2024/2025 Academic Session with the under listed conditions;
    - a. The Candidate must have registered and sat for the examination;
    - b. The outstanding course must not be because of over registration;
    - c. That the outstanding course was not a practical course;
    - d. The Candidate must have a minimum score of Twenty (20%) in the course; and

1                   e. The Candidate must have attained 70% in class attendance
